

Malawi Supplies

To all who may be willing and able, the Malawi Mission team is inviting you to assist with supplies for our upcoming mission. We are hopeful to leave for our mission July 15. These supplies will be used serving the teachers, women and widows and medical needs of the communities. We need all of the supplies delivered to the church by Sunday, July 11. Of course, the earlier, the better. We will have a board in sanctuary foyer for the next couple of Sundays with sticky notes naming the supplies and count that we need. If you want to provide some supplies, take the corresponding sticky and then return with those items. This will help us to know what we are still needing prior to departure and can fill in any gaps. Of course, financial donations are acceptable as well. You can make checks to NW Hills and put "Malawi Mission" in the memo. Thank you, NW Hills. You are always so supportive and generous!

As a sneak peek, here are the items we are collecting:

50 Multi Color Beach Balls (at Dollar Tree)	50 Black Sharpies
