CLINIC CATS

Nicholi- Director of Animal Relations

My day-to-day tasks are greeting clients at the water fountain, lounging in the sun, testing tap water quality(directly from the tap), and having fun with Edgar.

Edgar- Client Greeter and Desk Warmer

You will normally find me at my favorite spot on the front desk. I try and help out the staff up front as much as I can with tangling up the phone cords, typing on the keyboard, and of course my absolute favorite switching the computer upside down.

One annual dog or cat examination. Maximum value \$130. Donated by Dr. Bill Henry with permission from Nicholi and Edgar.
