PRAYER OF INVOCATION

God of all creation: We come before you humbled by how great you are, extending beyond the farthest galaxy, pure beyond the brightest star, mysterious beyond the deepest black hole. Before you we realize we are small, weak, broken and sinful. Have mercy on us, O Lord, by the forgiveness worked out on the cross of Christ. Breathe into us a fresh breath of your Spirit, that we would know without a doubt that you have adopted us as a loving Father, and you will help us reflect your image in our own thoughts and feeling, our words and actions. May our lives point others to you. Lord, hear our prayers.
