PRAYER OF INVOCATION

O God of the universe: You are great beyond the reaches of the stars, a mystery beyond what our minds can grasp. Yet you came into your creation wrapped in flesh. Somehow your fullness was revealed in a human being, your holiness manifested in a sinless life, your grace poured out in death on a cross, bearing the penalty for our sin so we might be forgiven. And then you rose again, conquering death once for all, opening the way for us to follow. You deserve our worship, our praise, our gratitude, and our love. Help us worship you not only with songs and prayers, but in the way we live every moment of every day. Lord, hear our prayers.
