PRAYER OF INVOCATION

Most high God, Lord over all creation: We sing your praises for you are worthy of our full devotion. We come knowing we are not worthy of your attention, but you are gracious and generous to us out of your own goodness. We have received from you life and life eternal, grace to sustain us each day, and more answers to prayers than we recognize. Help us worship you with more than a song and a prayer, but with our very lives. By the power of your Holy Spirit, teach our hearts to love you above all else, and to love others as we love ourselves. May our lives reflect your light into this dark world, that others might know how good you are. Lord, hear our prayers.
